

GlenOaks Country Club represents a unique alternative for clubs in this region, and now the best value in town! A friendly and attentive professional staff, excellent amenities, and camaraderie you won't find anywhere else. Here at GlenOaks, we work very hard to maintain a friendly, family oriented, relaxed atmosphere at all times. You will certainly get the white glove treatment when appropriate, but we take pride in not taking ourselves too seriously. First and foremost we want GlenOaks Country Club to be fun for the entire family! A simple philosophy that we know you will come to appreciate.

GlenOaks Country Club offers a unique 18-hole championship golf course that is challenging, yet fun for golfers of all skill levels. With newly renovated bunkers, Bermuda grass fairways and true Bent grass tees and greens, playing conditions have never been better!

The Club isn't all about golf, however. We also offer a Junior Olympic sized swimming pool and a separate wading pool for the youngest of youngsters. Our swim facility includes everything you need to make your hot, summer day a fun, refreshing and relaxing one - a diving board, expansive deck area, restrooms, shower facilities and delicious treats from our new pool-side deck bar. The Glen Oaks Gators Swim Team calls us home and provides a swimming experience that meets all levels of needs for its competitors and encourages athletes to improve personal performance results through commitment and teamwork.

The Clubhouse at GlenOaks has a choice of venues for your dining enjoyment including the newly renovated family friendly Grille and our cozy 21 and over Pub featuring local Craft Beers and breathtaking views. We also have beautiful Event space and meeting rooms to accommodate your social events or business meetings. A fully-stocked Golf Shop provides all you need to support your golfing style. Men's and ladies' locker rooms are available for your convenience.

Please accept this invitation to come and learn about the club for yourself. We have a variety of memberships available and one that I know will fit your lifestyle and budget.

If you have any questions or would like to arrange a tour of the Club, please call Jamie Miller, Managing Partner at (502) 339-0215 ext. 101.
